Dear Fellow MIM Parents:

Why a note now about our **Parents Annual Fund** for the coming school year? Because, starting with the 2004-05 school year, your tuition contract will not only include columns showing your monthly tuition and contracted care fees, but also a third column for your pledge to the Parents Annual Fund. (*Your pledge will draft automatically through the EZ-EFT™ system the same as all your other fees.*) We hope that after carefully considering your family's resources, you will make a pledge to our school's future through the Parents Annual Fund. Parents Annual Fund dollars are used to repair curriculum tools and replace worn-out classroom fixtures.

Obviously, you're not required to contribute to this fund, but even a small pledge of \$5.00 to \$10.00 per month would make a huge difference to the long-term growth of the MIM program.

The families that came before us equipped our school. Our small monthly pledges would pay forward our debt to past MIM families by assuring that students five to ten years into the future have the same high quality fixtures and curriculum tools our children enjoy. We hope you will choose to share your commitment to the high quality education available at Montessori in Motion by pledging to the Parents Annual Fund in the coming year. Whatever amount you can pledge will make a big difference.

Onward!
