Hello and welcome to our toddler community here at Montessori in Motion, we are so happy to have you. Our team consists of me, Carolyn, as the lead, Maricella as our opener, and Marjorie as our closer.

Soon the weather will start to change and the rain will start. I highly recommend having a pair of rain boots that you leave at school, and a rain suit (I see the Tuffo brand a lot) or rain pants with a rain jacket to help keep your child dry as we do go outside every day even if it is raining and toddlers love to splash!

September is not only a big new start for your children, but for you as parents as well! It is not uncommon for well adjusted children to show signs of stranger anxiety and have difficulties leaving their grown up at drop off. Our staff will do our best to make your child feel safe and comfortable during this transitional period. One thing that will help us help your child during this is participating in quick goodbyes. A quick hug and a kiss with a goodbye after being greeted by the teacher will be best practice as lingering can cause big feelings to enhance. All of our staff are well trained in following the needs of the child and comforting them in the way the child needs.

During September MiM participates in the Small Hands Fundraiser. All parents will receive a catalogue where they can order Montessori inspired items, and teachers also receive a catalogue to make a wishlist for our classroom which we will hang on the door. When you see our wishlist please donate to our classroom as this is one of the way we get new materials for our class !

Our toddler community is looking forward to a great year with you all!

10/16 Parent Education Night

Language and Sensorial (No Children Please)

Halloween Party 9:30AM - 12:00PM

"The child is both a hope and a promise for mankind."
Maria Montessori
