Hello Everyone!

Welcome to the new year! This is a good time to check if your child's boots, shoes, slippers, clothes and rain suits fit your child. If they are snug please bring in the next size so your child can comfortably move around.

As the temperature continues to drop, please bring your child in warm clothes. Snowsuits or thicker jackets can keep them extra warm when we play outside. If you would like to donate gloves to our class, you will receive work bond!

This month's theme is Arctic Animals and ice and snow. We will be exploring snow through sensory experiences and include a variety of materials with arctic animals.

Reminders: If you have questions or concerns before/after school hours, emailing me is the best way to reach me! My email address is: jacquie.bell@montessoriinmotion.org

Happy Winter!

Ms. Jacquie, Ms. Kylsha, and Ms. Kristen

We Need Your Help!

Due to the recent theft of the equipment from the outdoor shed, some parents have offered to help replace equipment that my husband and I bought to assist me in teaching the children during outdoor enrichment. No expectation to participate. You can use work bond when purchasing the items. Here is a list of items. If you have questions, please contact me.

Regards,
Tammy Bell

1. Nexcare First Aid Kit
2. Coleman 16 oz Camping Propane Cylinders
3. Rechargeable Hand Warmer
4. Milwaukee Super Sawzall -M18 Fuel 18 Volt Lithium -Ion Brushless Cordless Saw Kit w/charger and one battery
