Happy New Year!

I hope that everyone had a restful winter break.

In January we will study about South America. We will also learn about animals in the winter.

If you have any pictures, artifacts or personal stories from any South American country we would love it if you would share them with us. Please let me know if you do.

Thank you so much for your continued support and kind words.

If you need to connect with me before or after class hours, please email me at [kristen.greeley@montessoriiinmotion.org](mailto:kristen.greeley@montessoriiinmotion.org)

Happy New Year, Ms. Kristen

### We Need Your Help!

Due to the recent theft of the equipment from the outdoor shed, some parents have offered to help replace equipment that my husband and I bought to assist me in teaching the children during outdoor enrichment. No expectation to participate. You can use work bond when purchasing the items. Here is a list of items. If you have questions, please contact me.
