Welcome back friends!

I hope everyone had a restful break. I'm glad to be back and ready to work!

This month we will learn about birds, fossils, and the adaptation of animals in winter.

Our class performance is the 30th. I hope everyone will be able to make it. It is going to be great!

Please make sure that your child has a winter coat with a hood every day. If your child has a hat and/or mittens, be sure to put their name on them. Also, on outdoor days make sure your child has warm socks or cold weather line boots, rain boots are not made for cold weather. If you send hand warmers with your child to be sure to label them also.

Thank you.

Ms. Kristen & Ms. Alla

Notes from the Art Corner:

Happy New Year! I hope you and your family had a wonderful Winter Break!

We've been busy, busy in art class at the end of the year! Over the last few months we've created luminarias to light the way, learned about "texture", and worked with oil pastels, watercolors, tempera, and canvas. Looking forward to learning about self-portraiture, contrasting colors, and sculpture in the weeks ahead!
Mrs. Farber

Evening
Program

If University Place school district closes, we will be closed. If they have a late start, then we will open at 10:00am. No AM childcare, this will ensure our staff can get to school safely and in time for us to prepare the grounds for your safety. If we have 3 closures, we will have make-up days. Listen to local radio or TV stations or check the Internet (www.upsd.wednet.edu/upsd/site or www.montessoriinmotion.org) for school closure
