Dear Parents,

Welcome to the 2021-2022 school year!

In September we are going to work on grace and courtesy and learning our new routine and rules to the classroom as well as learning about apples, sunflowers and squirrels.

Please send at least two mask with your child each day.

You will find our snack sign up on the wall in the hall behind Mrs. May's office. We will start sharing on September 13th.

I am looking forward to an amazing year!

Ms. Kristen

Mrs. Sandi Music Notes

I am so excited to see all of your children again as we start a new school year. I really missed them over the summer! This month in music we will be exploring rhymes in music. We'll start with some favorite nursery rhyme songs: "Twinkle, Twinkle Little Star," "Row, Row, Row Your Boat," "Hey Diddle, Diddle," "Itsy Bitsy Spider."

The children will also have a chance to write their own rhyming song as a class. Our instrument demos will be the ukulele and the mountain dulcimer.

I'll be sharing the song "Somewhere Over the Rainbow" by Israel Kamakawiwo'ole. If you get a chance to listen to this song at home with your child, that would be helpful.)

Notes from Mrs. May - Managing Director

We are thrilled to begin the 2021 – 2022 school year!

I hope you all have a memorable summer and are ready to start this amazing year! Thank you for choosing Montessori in Motion for your child/children! We know you have many options, and we are thankful that you have chosen to be part of our MIM community.

We are so excited to see the faces of all our children, some we saw a few weeks ago for our summer school program, others took the summer off and there are also many new faces.

You will also see some new faces of staff at MIM and some have moved to new positions. Please be sure to introduce yourself.

Although many things are starting a little different than normal, we want to assure you the health and safety of our children and families have always been a top priority for us. We want this to be a positive, happy place for our children to grow, learn and explore as they maneuver through these different times. We are here to support your child in building friendships and a lifelong love of learning.

Please be sure to follow all of our new requirements and recommendations and know that as things improve and restrictions are lifted, we will change our policies as well. I do miss seeing all the smiling faces, but for now I see the love in their eyes!

If you have any questions or concerns, please reach out to me by email at Tonya.May@montessorimotion.org or by phone at 253-565-3080. Your input is important to us.

Lastly, please be sure to get all your registration paperwork turned into the main office as soon as possible.

Warmly,

Tonya May

Notes from the Art Corner with Mrs. Farber :

I am so excited to be back at Montessori in Motion teaching art this year after being home with my kids last year. I've missed this community so much!

Starting the second week of school, the children will get accustomed to coming over to the multipurpose room (behind Tonya's office) for art class! We'll be working with paint and start to talk about mixing colors to make new colors. Ask your student to share the story of what they did in art this week!
