March is Farm Month. The continent we studies is Europe, Zoology farm animals, botany and physical science will be combined for study of micro-organisms. The cooking classes will be connected starting with sourdough and fermented foods. Then we sample different mushrooms and eat them with pasta.

We have started practicing our program which "coincidentally" has a farm theme. I will send out a list of characters and costumes ideas for each child. The program is something that each class is required to do to help with social skills and expose children to group participation. Our performance is Friday evening, May 2nd. More details coming soon!

The school puts on a big fundraiser auction each year. This year there is a western theme. That night we will have a silent auction, a live auction, entertainment and a BBQ dinner. We invite everyone to enjoy the party and help out our school. We use the money for projects like the shelter that was built for Outdoor Environment last year. We need donations for the auction also. Our class will start a "Outdoor BBQ Basket." Each family brings items in, to create a fun group of items for the live auction. Our class is working on a project with teacher child art work on it. We are making a corn-hole game. Ingrid's talented parents are helping with the preparations for it.

We have been through a lot together these last two months. My heart swells with gratitude and love for each of you. This unique situation has been a time of growth and learning. I am excited about this time that we have to share with each other.

Ms. Bell

Notes from the Art Corner:

Ah the busy, blustery month of March! In art class this month we'll be putting on our engineering hats, learning about some traditions of Indigenous People, and creating something for our auction coming up in May!

Speaking of the auction, there are a million ways to help! Stop by to talk to us to see how you can be a part of this great event that raises money for our school!

Mrs. Farber

DATES TO REMEMBER

April 7th -
April 11th
Spring Break
Childcare
ONLY

Parent-Teacher Conference

APRIL 17th & APRIL 18th
EARLY RELEASE

EARTH DAY

April 22nd
All School Clean Up

Everyday Fundraising Opportunities

If University Place school district closes, we will be closed. If they have a late start, then we will open at 10:00am. No AM childcare, this will ensure our staff can get to school safely and in time for us to prepare the grounds for your safety. If we have 3 closures, we will have make-up days. Listen to local radio or TV stations or check the Internet (www.upsd.wednet.edu/upsd/site or www.montessoriinmotion.org) for school closure announcements.

"A child is both a hope and a promise for mankind."
