I can't believe it's already the second week of September! Time really does fly when you're having fun. The children are really starting to settle into their routine, and it's such a joy to see them becoming more comfortable and independent in the classroom. I'm so proud of all their progress! A huge thank you to everyone who has already donated to our Small Hands fundraiser—your support means the world to me! The fundraiser runs until September 29th, so if you're interested and can help out, there's still plenty of time. We appreciate any contributions, big or small. Thank you for being part of our amazing community!

In Partnership with you,
Ms. Amy, Ms. Ky, and Ms. Noah
