I wanted to give everyone a big thank you to a wonderful first month of school! The children are all adjusting great and we have been having a great time getting to know each other. As the colder weather is setting in I wanted to remind you all to please provide weather appropriate clothing and rain gear (rain boots and a rain suit or rain jacket). Rain gear is especially important as we do still go outside everyday even if it is raining. If you are dropping off after 8:45 and it is raining or wet please help your child into their rain gear before coming outside.

At MiM we also take one day out of the week (Friday) and spend our mornings (930-11:30) in Outdoor School. Outdoor School is our upper field area back by the goats. Ms. Bell has cultivated a great environment for our children to explore and work while still being able to enjoy being outdoors. There are activities like a water wall (water play), wheel barrow pushing, digging in dirt, a music wall, and so much more ! The toddler communities alternate which week we are spending in outdoor school. When it is our class's turn to be in Outdoor School I will leave a note on the door reminding parents to please put on boots and bring waters out at drop off as we bring our water bottles with us to the outdoor environment. Thank you in advance for helping us with those tasks.

In October there are also a few important dates to keep note of.

Friday 10-10, MiM will be closed for an In-service day. Teachers will be at school deep cleaning our classrooms and rotating materials. No childcare will be provided

Thursday 10-16 is our Parent Ed Night at 7:30. We will be discussing language and sensorial materials and why those are important for your child's learning experience. This is an adult only event, we would love to see you there!

Friday 10-31 is MiM's Halloween party. We will be hosting various activities for the children to participate in such as tractor rides, picking a pumpkin, and a trick-or-treat activity (no candy). As this will be a busy day we are looking for 3 volunteers to help chaperon our class from activity to activity. There will be a sign up page next to the snack calenders, and you will receive 2.5 hrs work bond for participating! Dressing up in a costume is not required but it is encouraged!

Happy October! Ms. Carolyn & Team
