Hello parents, we are off to a GREAT start. The kiddos are adjusting well. Please remember to label all items with first and last names so we can identify items such as coats, shoes, shirts, pants, sharing items and underwear. Please provide appropriate clothing for the weather, outdoor play and school. We got really wet at the “water wall” in outdoor school the first day. Please provide waterproof gear and boots for all occasions. Thank you!

At the end of October, we have a Halloween party with activities. Please BRING a costume in a bag for your child. We will be changing into the costumes after 9:00 AM. Please do not let your child wear it to school. For the festivities, we'll have a sign-up sheet in the hallway by my bio. Please see me if you would like to help.

Special thanks to all of you who have provided snacks and cooking items. We appreciate it! Thank you also for participating in our small hands catalog fundraiser. We will enjoy the donated items. Thank you!

Happy fall,
Ms. Patricia and Ms. Cassandra

Notes from the Art Corner:

Happy October!

We'll start this month collaborating with Mrs. Bell in outdoor school as the art and music room is busy with school pictures. I love the opportunities available to us when we're outdoors!

We'll introduce the concept of texture this month and continue working with color mixing and finish up with a special mask decorating project.

As always, come find me if you have any questions about art class!
Ms. Farber
