It is hard for me to believe we are in the month of June and this is our last month together as a class. This particular group of children have been an amazing learning community. I am truly sad to see this school year end. Miss. Betsy says, everyone has done a wonderful job learning their Spanish words and phrases too!

For those families who are moving on to a new school next year, it has been my absolute pleasure knowing your child and watching them learn and grow. For some families we have been together now for three years and I will miss seeing your faces every week. Your children will-always have a place in my heart and my classroom. I am an email away and I love visits and-updates on your children.

My hope is that your child has a better understanding and appreciation of the beautiful diverse-world we live in and their place within. I hope you all have a wonderful summer and to my returning students, I can't wait to see your smiling faces again in September!

Thank you for all your support this school year,
Jennifer Hunter

Notes from the Art Corner from Mrs. Farber

In art class we'll wrap up the year with some outdoor art (assuming the weather cooperates), learn about artist Wassily Kandinsky, and talk about spirals and concentric circles.

The children's artwork will be hanging throughout the school as we near the end of the year. Please make sure to take a look! They will love to show off their work to you at pick up or drop off!

I can't believe we've reached the end of this school year! It has been truly a pleasure watching these kids grow and stretch their creative skills. Happy Summer!

Mrs. Farber
