**Dear Parents,**

**Wow, we are on our last month of the school year. The time flew by so fast. We will wind up the school year with a study on fish and salmon in particular. We will also study the rose plant as the flowers are blooming nicely everywhere.**

**It still rains a lot so please make sure your child is dressed appropriately. We still go outside everyday no matter what.**

**We have been really enjoying the sharing time on Wednesday mornings. I commend the creative ideas I've seen come through. Kudos to you clever ones! See our calendar for ideas.**

**Thuy and I say goodbye and best wishes to our children moving on to new schools. May you do the best at everything! We will miss you! Please come back and visit. To those of you who will be with us again, we will see you this summer or in the fall! Have a great summer!**

**Love Patricia and Ms. Thuy**

*Notes from the Art Corner from Mrs. Farber*

In art class we'll wrap up the year with some outdoor art (assuming the weather cooperates), learn about artist Wassily Kandinsky, and talk about spirals and concentric circles.

The children's artwork will be hanging throughout the school as we near the end of the year. Please make sure to take a look! They will love to show off their work to you at pick up or drop off!

I can't believe we've reached the end of this school year! It has been truly a pleasure watching these kids grow and stretch their creative skills. Happy Summer!

*Mrs. Farber*
