Hello Grown-ups!

I can hardly believe we are in the month of May!

This month we will be studying the continent of Australia and begin our study of the Solar System that we will finish up in June.

As the weather changes, please remember to apply sunscreen to your child in the morning and we will reapply in the afternoon. Sun hats are also a great way to shield from the sun.

During outdoor enrichment (Thursdays) don't forget to send your child in clothes that you don't mind getting wet and dirty. They will be working in the garden, pumping water, and just having some outdoor fun!

Thank you for being such wonderful supporters of our classroom!
Ms. Ellis

Enrichment

Wish List:

***CARDBOARD**

(All of the boxes that come from mail orders!)

***Plants or extra starts** from your personal garden

***Child size garden gloves**

***Soil and compost**

I love Spring! The outdoor environment is coming alive again with blossoms, birds and greenery. The chicks and ducklings are bonding with the children as they speedily develop. The best part of this year's Spring is the addition of our new garden fence! Thank you to Mr. Mitch for his meticulous work. This means that we have expanded the garden space. The children are learning about the foundation of building soil and compost layer, then we plant and nurture the garden throughout the growing season.

If you need work bond credit and have finished your volunteer paperwork, we could use a few extra adult helpers. Donations are welcome also!
