Parents, your children are working very well in the classroom. They are doing so well with helping each other.

Please be sure to bring sunscreen for your child. It is helpful to us if you apply sunscreen at home first, then we can reapply it here. Make sure you have signed the sunscreen sheet; I will keep it outside with me.

Also please make sure that your child has rain-boots here in the classroom, they will need them, and some children do not have any in the classroom.

Happy May,
Mrs. Marreddy

I love Spring! The outdoor environment is coming alive again with blossoms, birds and greenery. The chicks and ducklings are bonding with the children as they speedily develop. The best part of this year's Spring is the addition of our new garden fence! Thank you to Mr. Mitch for his meticulous work. This means that we have expanded the garden space. The children are learning about the foundation of building soil and compost layer, then we plant and nurture the garden throughout the growing season.

If you need work bond credit and have finished your volunteer paperwork, we could use a few extra adult helpers. Donations are welcome also!
