#### Parent / Teacher Conferences:

Are to be held on Nov 18 and 19 from 1:30 to 5:00. Sign up sheets are located in the hall behind Mrs. May's office. On these two days school will be dismissed for EVERYONE at 11:45. There will be no lunch on either of these days. REMINDER: Children should NOT attend conferences.

#### Outdoor Time:

Physical exercise and fresh air are important for your child's health and well-being, as well as their education! There are so many things they are learning while spending time outdoors.

#### Gross and fine motor skills:

They can run around, ride a bike, throw and catch a ball, balance, climb, dig in the dirt and find bugs.

#### Language Development:

They talk about what they see, hear and feel as they become aware of the changes in the weather, seasons, growth of plants and animals.

#### Science:

They discover how water puddles disappear when the sun returns after a storm or how their shadow follows them around the yard. We give your toddlers opportunities to get outside everyday, therefore, please dress your child for the weather. If your child will wear a hat please send one in.

#### Gloves:

This year I am asking for donations for classroom gloves. Every year I purchase gloves for the class because gloves get lost, wet and torn. If we just have community gloves then it is easier to keep track of instead of keeping track of 14 different pairs of gloves and who's who's. With a community set they are able to get a new pair when theirs are wet or if one gets lost they just choose another one from the bucket. They will get washed weekly. If the gloves become dirty they go into the wash and your child will be able to choose a new pair for the day.

If you would like to donate some toddler gloves to the community box it would be greatly appreciated and you will receive work bond credit. Please provide a receipt. If you would like to have a pair of gloves for your child only please be sure to label and we will do our best to keep them together.

Thank You  
Ms. Trudy & Ms. Rose
