Welcome back to school! Hope you had a fantastic summer full of fun and adventures. We are excited to see all returning students and to meet our new friends. We are looking forward to seeing your children grow!

As every parent knows, it takes only the smallest change to throw a Toddler's day out of whack. A missed nap, a smaller-than-usual breakfast, a visiting relative, a move out of the crib and into a bed are all enough to disrupt a child's natural sense of order and routine. Please let us know if anything different is happening in your child's life. This information can help us to better respond to your child's individual needs. No piece of information is too small! Anything you would like to tell us we would like to hear.

This month we will focus on establishing a classroom routine and helping children become normalized.

Families can help at home by working with your child on independence for example: taking their shoes on and off, drinking from a cup, pulling their pants off when changing a diaper and cleaning up their toys. Toddlers love to help and mimic what they see their parents doing.

A Few Reminders:

- Snack: if you have signed up to bring snack, please bring it in the day before or sooner. This enables us to have time to prepare snack the morning you signed up for.
 - Please send in a framed 4X6 family picture to be displayed in our classroom (please make sure it is not an expensive frame it may get damaged)
 - Label – Label – Label! We try very hard to keep track of your child's belongings, however with some new friends it is a lot to keep track of and labeling will help us tremendously.
 - Please be prompt and quick at drop off and pick up
 - No toys from home.
- Looking forward to a wonderful year!
Ms. Trudy, and Ms. Rose

Notes from Mrs. May - Managing Director

We are thrilled to begin the 2021 – 2022 school year!

I hope you all have a memorable summer and are ready to start this amazing year! Thank you for choosing Montessori in Motion for your child/children! We know you have many options, and we are thankful that you have chosen to be part of our MIMcommunity.

We are so excited to see the faces of all our children, some we saw a few weeks ago for our summer school program, others took the summer off and there are also many new faces.

You will also see some new faces of staff at MIM and some have moved to new positions. Please be sure to introduce yourself.

Although many things are starting a little different than normal, we want to assure you the health and safety of our children and families have always been a top priority for us. We want this to be a positive, happy place for our children to grow, learn and explore as they maneuver through these different times. We are here to support your child in building friendships and a lifelong love of learning.

Please be sure to follow all of our new requirements and recommendations, and know that as things improve and restrictions are lifted, we will change our policies as well. I do miss seeing all the smiling faces, but for now I see the love in their eyes!

If you have any questions or concerns, please reach out to me by email at Tonya.May@montessoriinmotion.org or by phone at 253-565-3080. Your input is important to us.

Lastly, please be sure to get all your registration paperwork turn into the main office as soon as possible.

Warmly,

Tonya May
