MIM Tooth Brushing Policy

DCYF (Department of Children, Youth, and Families) now requires the following:

“At least once per day, an early learning provider must offer children an opportunity for developmentally appropriate tooth brushing activities.”

If you would like to choose to have your child/ren participate, you must provide a labeled toothbrush and labeled toothpaste in your child/ren lunch box daily. Children will be given the opportunity to brush their teeth after their lunch.

If you choose to opt out of this activity, please sign below and return this form to the front desk.

Thank you,

Tonya May, Director
